NSS PRINCIPLES

The group lives and operates by its core principle of “Ethically Forward” and strives to constantly improve, grow and nurture the community.

NSS VISION & MISSION

- **We provide high quality, nutritious food, produced in only the most hygienic environments.**
- Our service is always **courteous, prompt** and we strive to go beyond your expectations.
- We adopt ethical business practices and firmly believe in the fundamental principles of **Truth, Honesty & Integrity.**
- Our priority is **customer satisfaction** alongside the Health, Safety and Environment (HSE) of our personnel and consumers.
- **We do not see ourselves as mere caterers, but as providers of Essential Life Support Services.**

NSS UNIQUENSS

At NCS, we believe in creating change. We believe Catering is part science, part Art but mostly Human Relations. We do what small companies can't; we do what big companies won't, that's our style.

- **Skills:** We strive to constantly provide the best. This includes our food, our staff and the management of every element of our services.
- **Relationship Building:** We have grown only by references through word of mouth and never lost a client.
- **Trust:** Built through complete transparency in all respects of our operations, performed at the highest standards.
- **Flexible:** Our Extensive, Reliable and 24 X 7 logistical support allows us to cater at very short notice and despite any eventually.
- **Support:** The backup of the diversified group activities which include infrastructure, networking and logistical skills helps us to deliver what others cannot.

SERVICES & OFFERINGS

We pay careful attention to the quality, variety and nutritional value of our menus. An excited and innovative team of chefs and food specialists drives our delicious food offerings to a variety of client tastes and demands.

Banquets and Catering

Our banquets and catering service has been a runaway success. Let us take away the stress of a party, allowing you to relax and enjoy yourself, safe in the knowledge that our highly trained event team can manage your event with the minimum of fuss.

We work on the mentality of being flexible, reliable and competitive, and with that in mind, there is no requirement too small or grand for us to handle.

Offshore Catering and Housekeeping

We provide specialised offshore catering and housekeeping services across various sectors, including:

- Rigs
- Platforms
- Construction
- Pipe Laying and Accommodation Barges
- Multipurpose Offshore Support Vessels
- Dive Support Vessels
- Seismography
- Geological Survey Vessels, etc.

Our marine logistical strength and established working relationships with port and customs authorities give us a competitive edge. We operate an efficient and reliable supply chain network to ensure timely delivery of our services.
